Dear World Martial Arts Games Participant,

On behalf of the Hosting Committee of the 2017 World Martial Arts Games, I would like to welcome you to the wonderful City Arbon in Switzerland. During the weekend of the 29th to 1st of October 2017, competitors from all over the world will compete for the honour of becoming a World Martial Arts Games *Champion*. The event will be held under the Patronage of WMAC - Member of TAFISA.

Arbon is situated on a peninsula on the southwest shore of Lake Constance between Romanshorn and Rorschach. On the south, the municipality borders the canton of St. Gallen. St. Gallen is the nearest larger city. The surrounding hills are remaining moraines of the Rhine glacier that existed in prehistoric times. The surrounding municipalities are (counter-clockwise from the north): Egnach, Roggwil, Berg, Steinach, and Horn. Lake Constance forms the municipality boundary on the northeast and east. It is a junction of the arterial roads from the Rhine valley to the Swiss Historic places like Rhein-Waterfalls or Wood-Buildings in Unlingen (Germany) and a lot of castles in the near. Also a lot of Culture and Sporting activities are in the near.

As a participant in the 11th Annual, World Martial Arts Games, you will be present amongst the top martial arts athletes from around the world, representing a multitude of disciplines with all following universal moral principles, helping to display and promote the true spirit of the Martial Arts. With over 300 Divisions encompassing the disciplines of Extreme Martial Arts, Grappling, Karate, Kickboxing, Taekwondo, Kung Fu, Sport Jujutsu, MMA Light and others. There is something for everyone and many participants will compete in more than one event.

On September 29th, 2017 an estimated 500-1000 martial arts athletes of various age and skill levels, representing 20-40 nations will gather at Seeparkhalle Arbon, Switzerland to compete for chance to become a World Martial Arts Games Champion. Be part of history and join us for the time of your life!

Yours truly,

Harald Folladori
WMAC - President
